

## **Weeks 10 and 11**

Goals:

- Begin drafting the presentation report through eCampus.
- Send the latest draft of our final thesis to Dr. James Caverlee for review before the April 9 deadline.
- Make corrections to third installment if needed.
- Continue to revise final draft of thesis.
- Schedule project meetings with Dr. James Caverlee (faculty advisor) and Yin Zhang (graduate student advisor) weekly to discuss research progress and written thesis content.
