

Weeks 14 and 15

Goals:

- Talk to your faculty advisor about the appropriate embargo selection for your thesis.
- Once we are approved in eCampus, complete our final submission in the Scholar's Thesis Submittal System (STSS). This includes uploading a completed abstract, keywords, and embargo selection.
- Schedule project meetings with Dr. James Caverlee (faculty advisor) and Yin Zhang (graduate student advisor) weekly to discuss research progress and written thesis content.
- Finish revising our final draft for our thesis.
- Complete the program exit survey.
- Make corrections to final thesis if needed.
- Reminder for May 2019 to RSVP for the LAUNCH Recognition Ceremony to receive URS medallion.
